

# Defensive Driving

## Class Schedule for 2011

**Tell your insurance company you're giving yourself a discount!**

The defensive driving course is a 6-hour comprehensive awareness course covering road hazards, following distances, braking effectiveness and other common driving issues. This defensive driving course (DDC) has been approved for a 2-point reduction on your DMV license and a 5% discount on personal insurance premiums. This discount is good for 3 years and worth 6 elective EMT CEU's. **Fee: \$60.00/person**

People who typically take a defensive driving course:

- Younger Drivers (high insurance rates)
- Persons with points on their license
- Drivers with full coverage (high insurance premiums)
- Anyone who wants a break on their personal auto premiums
- Companies with fleets

*Courses provided by Less Stress Instructional Services.*
